Birthday Congratulations to Madi, Rafael, Eleanor and Sam, who all celebrate their special days this week! Best wishes all of you, from everyone here at school

This King's Birthday weekend means no netball on Saturday and no school next Monday or Tuesday!

Room 1 are practising retelling stories that we know, using vocabulary we have learnt from the book.

“Perky the Pukeko was an orphan and mama hen does not let Perky stay with them. The farmer led him to a pest infested drain and he stays there because there are other pukeko.” by Leia

Coming up the week after next, all students will take part in enviro activities in their house groups each Wednesday. One of the activities we have planned is to make Stone Soup. It would be great if everyone could bring in a vegetable contribution on the week they will be doing this. The timetable for rotations is below. If you are unsure which house group your child is in, ask them! If they do not know, there is plenty of time for them to find out.

ENVIRO ACTIVITY	Wed 12 June	Wed 19 June	Wed 26 June	Wed 3 July

Cakes for sale each Friday

Each Friday we have a parent baking roster to provide cakes for sale to our students. Funds raised go towards parent group funds. Watch out for your name on the termly roster and when it's your duty day, please bake enough for approximately 30 pieces of cake/slice to sell for \$1 each. It would be helpful if you label any special ingredients, e.g. gluten free, too. Each Friday, please send your child with \$1 for a cake if you wish (no Juicies this term). Your children should also bring a healthy lunch on Fridays. Laura Townley is our parent cake roster coordinator, contact her on 022 084 2606.

Parent Petrol Vouchers: Thanks to parents' group and festival funds, ask Amanda at the school office if you would like a voucher to help with expenses for transporting students on school trips.

Community Presentation with Kathryn Berkett

RAISING RESILIENT CHILDREN
WHAT WE CAN DO - AS PARENTS AND COMMUNITY - TO HELP!

VENUE: MOTUEKA HIGH SCHOOL HALL
DATE: TUESDAY 4TH JUNE
TIME: 6.30PM

A free 90 minute presentation for parents, caregivers and extended whānau. We use the word resilience all the time, we want it for ourselves and for our children. But what does it actually look like? And how do we develop it?

Understanding the neuroscience of how resilience develops, will help us recognise what we can do in our everyday lives and interactions, to increase resilience in our communities. This session will help you understand, in a simple yet sufficient way, how we can build resilience.

The beauty of this session is that you can take the information and immediately apply it to your world. Reports of 'you have changed our household' and 'I get it now' are very common feedbacks from those who attend this session. Come along and hear how it can help you too.

About Kathryn Berkett
Kathryn is a mother of two adolescents, with a Masters in Educational Psychology. Kathryn has been learning and working in this area for over twenty years, training national and international audiences, including Police, Teachers, Parents, Social Workers, NZ Rugby and many more.

Come along to this unique, local opportunity to hear what might be the most useful information of your life!
